We will follow the same on-snow training program as Saturday.

On-snow training consists of 3-track, 4-track, sit-ski, vision impaired, hearing impaired, other disabilities, teaching aids, methodology, and practice training.

Please note that the Friday session is from 6:00 pm – 9:00 pm is at John Braithwaite Community Centre – Harbourview Room. <http://www.jbcc.ca/about/about-mapdirections.html>

This is an important weekend orientation and an opportunity to meet your fellow participants. You do not need your ski gear for Friday night.

Saturday and Sunday will take place all day on snow at Grouse Mountain. Please bring your snowboarding or skiing gear.

Participants are required to provide their own ski/snowboard equipment and be prepared for all weather conditions. This clinic must be completed before working in our ski/snowboard programs.
